TO LIPPINCOTT 30' OWNERS:

Your Lippincott 30' came complete as a sail-away package, but once and awhile here at Riverton Boat Works we have had inquiries on extras for this L-30. We have put together a line of products which are retro-fits for your L-30. These accessories are listed and priced below, and include a set of instructions for installation, and any fastenings needed. All you will have to provide are hand tools, and marine sealant where applicable. Prices do not include postage or tax where necessary.

L-30 ACCESSORIES LIST

(1) L-30 SEAHOOD

This custom retro-fit goes forward of the main hatch and keeps wayward winds and seawater from spilling under the sliding hatch. Strong enough to stand on and comes in white with matching tan or blue L-30 non-skid.

Tools: Drill, screwdriver, coarse file, sealant.

Price: \$195.00

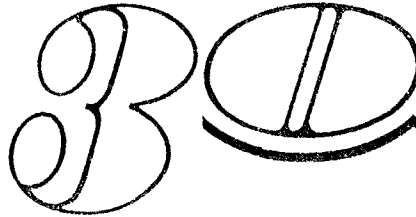

(2) GALLEY TABLE

A 12"x16" formica topped table with laminated mahogany edge, all of which matches the L-30 galley. Hinges to the right of the galley sink, and overhangs the port pilot berth when in the hinged upright position. A handy addition when you are short of cooking space.

Tools: Drill, screwdriver

Price: \$85.00

(3) CANE DOOR

A matching L-30 cane door for those owners who wish to replace an existing door, or have found a new location for one.

Tools: Drill, screwdriver.

Price \$32.00

(4) COMBING BOX

A fiberglass insert for the cockpit to put those little items in while under sail. 9-1/2"x17"x7"deep. Has a teak fiddle also. Matches the style of the engine panel.

Tools: Drill, hacksaw blade, screwdriver, marine sealant.

Price: \$19.00

(5) TEAK BIN BOARDS FOR MAIN HATCH

A 3-piece set of teak hatchboards. Replaces original boards.

Tools: None

Price \$110.00.

(6) ONE PIECE BINBOARD

A winter covering board for the main hatch. Made of Varnished mahogany plywood. Attractive enough to use all the time, but intended to preserve your teak boards during the winter months.

Tools: None

Price: \$35.00

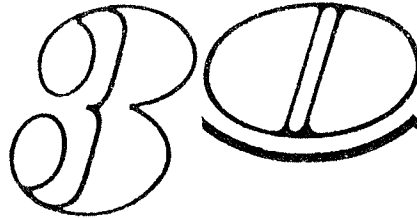

(7) EDSON PEDESTAL GUARD

A 45" high guard looping over the compass and affording protection to it, and also being available as a handhold while working in the cockpit.

Tools: Drill, screwdriver, wrench, sealant.

Price: \$81.00.

(8) EDSON WHEEL BRAKE

A tensioner for the wheel so the Captain can adjust the feel of the wheel to the weather or their personal tastes.

Tools: Screwdrivers, wrenches

Price: \$78.00

(9) EDSON 28" DESTROYER WHEEL

Largest wheel that can fit an L-30.

Tools: Adjustable wrench

Price: \$128.00

(10) TEAK LUNCHEON TABLES FOR L-30s WITH EDSON PEDESTAL LOOP

13-1/2"x24" Fore and aft fold-down table

13-1/2"x24" Athwartships fold-down table

Tools: Drill, screwdriver, wrench

13-1/2"x24" Slide-on table (no tools required)

Price: \$105.00 each

(11) VANG

Nicro-Fico blocks and cam cleat using 1/2" line. Mast and boom bails with all fastenings. A must for the serious sailor.

Tools: Drill, wrenches.

Price: \$95.00

(12) SAILS

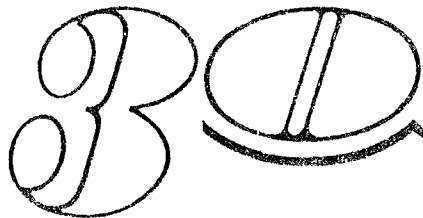

The L-30 Flasher. A cruising spinnaker made by our sailmaker, (Moorehouse) for our boats. Sail includes sheet lines, but no deck hardware.

Price: \$935.00.

The L-30 Storm Jib. Sized for L-30 and made by Moorehouse. Sheets included.

Price: \$390.00

(13) INTERIOR AND COCKPIT CUSHIONS

Complete set of Camel interior and Sand cockpit cushions
(our standard set)

Price: \$555.00

(14) DOCK BOX

A 2' high, 48" long and 18" deep storage box for dock storage. Reinforced top is non-skid covered and strong enough to be used as a step.

Price: \$210.00

(15) DORADE GUARDS

15-1/2" high 3-leg dorade guards set over the dorade box to keep your vent from being swept by sheets and lines. When bolted through they are good hand holds also. Made by our stainless rail supplier to match present pulpits.

Tools: Drill, wrenches, marine sealant

Price: \$140.00 pair

(16) BIMINI TOP

Bimini top description is on a sheet included in this letter.

Tools: Drill, screwdriver, wrench

Price: \$400.00

(17) AWNING

12'x (10'x8') Brown for L-30

Price \$295.00
